Sir,

I am directed to state that the question of taking steps t discourage the use of the polished rice is engaging the attent of Government. In this connection, Government will be glad to a report from you as to the existing sources of supply and cha of distribution of hand-pounded and parboiled rice.

A suggestion has been made by the Director of Health that tially milled rice can be easily arranged to be supplied from if rice mills are provided in the Mysore Jail and another in t Bangalore Jail. I am also to request you to be so good as to nish in consultation with the Inspector General of Prisons, yo views as to the possibility of arranging for the supply of par milled rice from the jails, as suggested by the Director of Pu Health.

The Dr of Prisons says that the proposal already made by him at an extra cost of Rs 10,212/- in his letter dated 8th June 1937 (vide flag B' in Prison Colln 50 of 36) are not susceptible of revision as the Staff proposed is the absolute minimum considering the number of prisoners to be confined in the proposed jail at Mayyazhi and the industries provided therein. Regarding the location of a Rice Mill which is under consideration (flag S') will add the normal activities of the jail. He proposes that in view of the limited grant, viz Rs 5840, made in the current years' budget, the proposals already submitted by him, may be sanctioned with effect from 1st December 1938 so as not to exceed the budget in the current year, the full provision, viz Rs 10,212 being made in the next year.

12) It may be seen from the Statement (vide flag H' in Pris Colln 50-36) that the Staff now proposed as compared with the Staff created prior to the conversion of the jail at Mayyazhi into a Sub-jail in 1933 (flag y in Pris Colln 59 of 32)

it cannot be reduced further not in the interest of efficiency & smooth running. But the pay of the Jailor on the other hand, requires to be slightly enhanced. Originally the pay of the Jailor was Rs 75-5-100 & there was a full time Supdt and now in the proposed scheme while provision has been made only for the continuance of the existing part time Supdt with an enhanced allowance of Rs 75/- as against the existing allowance of Rs 60/-, the Scale pay of the Jailor is allowed to remain at the existing level viz Rs 60-4-80. In view of the fact that the duties & responsibilities of the Jailor will naturally increase if the Sub-jail is converted into a Jail and that it is proposed to have only a part time Supdt, the Scale pay of the Jailor requires to be slightly enhanced. Final Note by the First Member of Council.

Subject.—

Revival of the Jail at Mysore.

In 1933, the Jail at Mysore was converted into a Sub Jail as a measure of retrenchment in pursuance of the recommendation the Retrenchment Committee of 1931, resulting in a saving of Rs. 12,611. Since then, all long term convicts sentenced to six mon or more are transferred to the Central Jail, Bangalore.

The Inspector General of Prisons reported in March 1937 that the Central Jail at Bangalore being the only Jail in the State for confining long term prisoners, there has been overcrowding of such prisoners in that Jail, while the facilities an accommodation readily available in the Sub Jail at Mysore are al lowed to remain unutilised. He has, therefore, proposed to revi the Jail at Mysore at an initial extra cost of Rs.10,212, of whi Rs.9,412 is for recurring expenditure and Rs.800 for non-recurri expenditure as noted in the margin. In addition, a provision of

stablishment charges,	...	Rs. 6,852	Rs.1,000 under "diet
pecial charges,	...	" 1,560	
(3) Purchase of raw materials,	...	" 1,000	ary charges", Rs.500
(4) Initial expenditure on account of tools and plants,	...	" 800	under "clothing and
	Total...	Rs.10,212	bedding" and Rs.2,00

under "purchase of raw materials" will be transferred from the budget of the Central Jail, Bangalore, to that of the Jail at - Mysore.

For the reasons explained by the Inspector General of Pri sons, it is necessary to re-open the Jail at Mysore and his proposals in this behalf are, in my opinion, suitable and have been agreed to by the Dewan and the Second Member of Council.

Gracious sanction of His Highness is solicited to these proposals.

The General Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SECRETARIAT
Dy. No. 1584
Date 30 AUG 1938

With reference to your letter No.P.138 dated the 7th 1938, I have the honour to state that, after a careful examination of the several aspects connected with the question of reviving the Jail at Mysore and with due regard to considerations of economy, the cost to Government on account of the additional staff proposed for the Jail was fixed at the absolute minimum Viz. at Rs.10212/-. I may reiterate that, after the revival of the Jail, long term prisoners coming under the remission system would have to be confined there, as was the case before this Jail was reduced to the status of a Sub Jail, and that with the incarceration of such prisoners, the number in the Jail would rise to about 300. In order to provide work for an increased number of prisoners, Carpentry and Weaving Industries have been proposed to be started in the Jail. With the establishment of these industries and the confinement of long term prisoners in the Jail, work for both the clerical and the executive staff would increase considerably, as already explained in this office letter No.4171-5 dated the 10th November 1937. If, in addition, Rice Mills are started in the Jail, as suggested in your No.G.10266 dated the 20th June 1938, even the additional staff now proposed for the Jail would be unable to cope with the increased work and may have to be supplemented by a further additional staff. In these circumstances, I am of opinion that it is not possible to propose any reduction in the strength of the staff already fixed. Accordingly, I request that sanction of Government

to the revival of the Jail from December next as per proposition statement submitted to Government with my letter No.4171-3 dated the 8th June 1937 may kindly be obtained. The amount of Rs.5840/- provided for the purpose in the current year's Prisons Budget will be util to meet the expenditure during the six months from December to June next.

I am directed to invite reference to the correspondence ending with your letter No.4171-8 dated 27th August 1938 on the above subject and to address you regarding the scale of pay proposed for the jailor and the distribution of expenditure under the several heads for six months from December 1938 within the provision allotted.

Originally for the jail at Mysore there was a full-time Superintendent and a jailor on Rs.75-5-100 and that even after restoration of the existing subjail into a jail, the jailor's pay is proposed to be continued at its existing scale, viz., Rs.60-4-80 with only a part-time superintendent.

Subject:- Revival of the Jail at Mysore.

With reference to your letter No.P.1390/Pris.10.38-3 dated the 10th September 1938, I have the honour to state that, as will be kindly observed from my previous lettens to Government, the Jail at Mysore is proposed to be revived not on its original scale at a heavy additional cost of about Rs.26000/- but only on a reduced scale, at a small additional cost of about Rs.11000/-. The number of warders as well as clerks is proposed to be reduced from 53 and 4 under the old scheme to 39 and 3 respectively under the scheme now proposed for the Jail. The Sub Assistant Surgeon for the Jail is proposed to be starte on Rs.50-5-100 instead of 100-5-125 as before, and likewise the Jailor is proposed to be continued on his present pay of Rs.60-4-80 without prejudice to efficiency. Several other items of expenditure are also proposed to be reduced proportionately and fixed at the minimum. The amo of Rs.5840/- now provided in the budget for the revival of the Jail is barely enough to cover the expenditure during the six months from Dece ber to June next. As the temporary additional staff of one Head warde and 7 warders sanctioned for the Jail till the end of December 38 (Ple Vide G.O.No.6622-23/Pris.37-37-4 dated the 23rd May 1938.) has to be continued permanently as per proposition statement already submitted t Government, the actual additional cost under "Establishment Charges" wor up to Rs.3882/- for the half year. Similarly, the additional expenditu for 6 months under Special Charges and Purchase of Raw-Materials comes up to Rs.780 and Rs.500 respectively as already proposed. The amount of Rs.5840/- being distributed against these requirements, leaves an in-su cient balance of Rs.678/- against the demand for Rs.800/- to cover

the initial expenditure on account of Tools and Plant required for starting the Industries. In these circumstanc and in view of the fact that the proposed revival of the Mysore Jail is only an approach and not a complete reversio to its original status, I am of opinion that the scale of p attached to the post of Jailor does not at present call fo a reversion to the old scale. The question may perhaps be considered later on, when the Jail is revived and brought to a working condition.

A statement showing how the amount of Rs.5840/- provided in the budget is proposed to be distributed among the several heads of expenditure, supplemented by a transfe of funds from out of the allotment of the Bangalore Central Jail is enclosed, as desired.

I have the honour to be,

To The General Secretary to the Government of His Highness

Pris

Sir,

Subject:- Revival of the Jail at Mysore.

With reference to your letter No.P.4128 dated the 1st February 39, I have the honour to state that the number of long-term prisoners now undergoing imprisonment in the Central Jail at Bangalore Viz. Prisoners sentenced to a term of 3 years and above is reported to be 253 males and 7 females. In addition to this number, prisoners sentenced to less than 3 years are also employed according to necessity, on the various industries carried on in the Jail. Of the marginally noted 10 industries,

1. Carpet and Dyeing.
2. Cumbly.
3. Carpentry.
4. Rattan.
5. Smithy.
6. Tailoring.
7. Cotton weaving.
8. Dhoby.
9. Book binding.
10. Pottery.

Dhoby, Book-binding and Pottery are carried on just to meet the requirements of the Jail and are managed without a Maistry. Smithy is complimentary to Carpentry and similarly Tailoring to Cotton weaving. Each of these industries is managed by a paid Maistry and is required to supply the daily needs of the Jail. Rattan, like Smithy, is dependent upon Carpentry and is supervised by a separate Maistry. It may kindly be observed therefore that, as these industries are dependent upon or related to each other, none of them can be transferred to the Mysore Jail. The only industry that is not required to meet Jail requirements is the Carpet weaving. This is the biggest and most important of all the industri in the Jail. The Maistry in charge of Carpet weaving supervises the work also in Dyeing and Cumbly making Sections. About 160 prisoners are employed in these 3 Sections. If Carpet weaving is to be

transferred to the Mysore Jail, Dyeing and Cumbly making, which are managed by one and the same Maistry should necessarily go with that industry. The Mysore Jail, even with the prison labour and other facilities that it may command after its revival, may not, I am afraid, be in a position to cope with this important industry. The Superintendent o the Central Jail, who was consulted in the matter, proposes to transfer Cumbly making to the Mysore Jail. As stated ab there is no Maistry for supervising the work of Cumbly maki in the Central Jail. If this industry is transferred to th Mysore Jail as an additional industry, a separate Maistry to be in charge of the Section will have to be entertained or, if placed, under the charge of the Cotton weaving Maistry already proposed for that Jail, the pay of this Maistry will have to be suitably raised. In either case, additional cost to Government is inevitable. In these circumstances, I am of opinion that it is neither feasible nor desirable to transfer any of the industries from the Central Jail to the Mysore Jail in place of the Cotton weaving and Carpentry already proposed for that Jail.

I have the honour to be,
Sir,
Your most obedient servant,

P. Muthayya Rao 18/

Read--

Government Order No.P.7833-6/Pris. 59-32-4 dated 5th May 1933 ordering the conversion of the jail at Mysore into a Sub Jail.

2. Correspondence ending with letter No.4171-19 dated 15th October 1938 from the Inspector General of Prisons, forwarding proposals for the revival of the jail at Mysore.

3. G.O.No.P.3206-7/Pris.27-38-2 dated 21st December 1938 sanctioning the continuance of the temporary staff of one Head Warder and seven warders in the Sub Jail, Mysore till the end of June 1939.

ORDER No. P4975-9 Pris 10-38-9 Revd.

Dated, Bangalore, the 20th March 1939.

In 1933, the Jail at Mysore was reduced to the status of a Sub Jail as a measure of retrenchment in pursuance of the recommendation of the Retrenchment Committee of 1931, resulting in a saving of Rs.12,611 per annum Since then, all long-term convicts, namely, those sentenced to six months or more, are required to serve out their sentences in the Central Jail, Bangalore.

2. The Inspector General of Prisons reported in March 1937 that the Central Jail at Bangalore being the only jail in the State for confining long-term prisoners had, in recent years, become over-crowded and that

the daily average of male prisoners had risen to 900 and showed no signs of diminution while the accommodation actually available for male prisoners was for 683 m only. It was also reported that even the transfer of 200 prisoners in the previous year to the Sub Jail at Mysore had not brought about the desired result of relieving the congestion at Bangalore. It was further reported that the giving away of a large portion of the jail grounds where vegetables and other garden produce used to be grown formerly for the formatio of the Ghandi Nagar Extension had made it difficult to provide work for all the nine hundred prisoners. He, therefore, suggest that the Sub Jail at Mysore be restored to its former status and stated that by this means, it was possible to find accommodation for about 346 prisoners and relieve the congestion in the Central Jail. The Inspector General of Prisons has now submitted detailed proposals to revive the ja Mysore on a reduced scale and at a smalle to Government. The main features of his p posals relating to establishment are--

(1) to revise the present scale of establishment by the addition of one Chief Warder, one Head Warder, 14 warders, 2 Work Inspectors, 2 clerks and a Sub Assistant Surgeon.

place one Head Warder and 7 Warders who are now on temporary basis, on a permanent footing

(3) to grant house rent allowance to all Head Warders and Warders at a uniform rate of Rs.3 per mensem.

(4) to increase the allowance of the part time Superintendent from Rs.50 to Rs.75 per mensem; and

(5) to revise the scales of pay of some members of the establishment including the clerical staff.

The proposition statement as verified by the Comptroller shows that the increase in cost on account of the above proposals is Rs.6802 2/3 per annum. Under the head "Special Charges" the existing scale of expenditure is Rs.7250/- per annum and the proposals of the Inspector General of Prisons is this should be raised to the same level as formerly Viz., Rs.10310/- per annum. Part of the increase is proposed to be met by reducing Rs.1000/- under "Ration and dietary charges" and Rs.500 under "Clothing and bedd in the annual allotment to the Central Jail. Thus the net increase in cost to Government would be Rs.1560/- per annum.

The industries proposed to be provided for the prisoners in the Jail at Mysore, are Smithy and Carpentry (under one work Instruc and Cotton Weaving. The cost of purchasing new tools and plant is estimated at Rs.800 (non-recurring) Besides, the Inspector Gener of Prisons reports that a sum of Rs.3000/- will be required annually for the purchase of raw materials. The net increase, however, wil be only Rs.1000/- per annum as the balance of Rs.2,000/- is proposed to be found by making

a corresponding reduction in the grant to the Central Jail under the head "Purchase of raw materials".

The financial effect of the above proposals is a net increase of Rs.9,362 2/3 in recurring cost, and Rs.800/- required for initial expenditure as indicated below:--

A. Increase in recurring cost.

1. Establishment	Rs.6802 2/3	
2. Special charges	" 1560	(net)
3. Purchase of raw materials.	" 1000	(net)
Total. Rs.	9362	per annum

B. Non-recurring expenditure.

1. Purchase of tools and plant.	Rs. 800

Government are satisfied that the Inspector General of Prisons has formulated the above proposals after a careful examination of all aspects of the question and with due regard to considerations of economy and the present requirements. They agree with him that these proposals are calculated to relieve the congestion in the Central Jail and are conducive to the proper administration of the jails in accordance with the Rules embodied in the Jail Manual, and are accordingly pleased to sanction them. A statement of expenditure showing the details of the existing scale and of the scale now sanctioned is appended to this order.

The Inspector General of Prisons is requested to take early action for the conversion of the Sub Jail at Mysore into a Jail in conformity with this

order, the extra cost involved during the current year being met from the lump-sum provision of Rs.5840/- made for the purpose in the sanctioned budget.

GENERAL SECRETARY
27 MAR 1939

To The General Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

Sir,

Adverting to Government Order No.P.4975-9/Pris. 10-38-10 dated the 20th March 1939 sanctioning the revival of the Jail at Mysore, I have the honour to forward, for the information of Government, a copy of the instructions issued to the Officer in charge of the Jail at Mysore and the Superintendent of the Central Jail, Bangalore to give effect to the orc of Government from 1st April 1939. As per clause 3 under Rul of the Mysore Jail Manual, prisoners sentenced to imprisonmer exceeding one month in the Hassan District have to be confine in the Mysore Jail hereafter, a copy of the Govt order referred to has been forwarded also to the Deputy Commissioner, Hassan for issuing necessary instructions to the Magistrates concered.

An amount of Rs.1750/- cut from the allotment to the Bangalore Central Jail and reserved in this office under the heads "Special charges" and "Purchase of Raw material" to meet a part of the additional cost involved on account of the revival of the Mysore Jail, has now been transferred to the Jail(Mysore) ~~xxxxxxxx~~ A copy of this office docket to the Officer in charge of the Jail is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

B/Ku Narayana Rao 25/3

Inspector General of Prisons.

Copy is forwarded to (1) the Officer in charge of the Jail a Mysore, (2) the Superintendent, Central Jail, Bangalore with a request that the following instructions may be carried out so as to give effect to the orders of Government from 1st April 1939.

1. As Rule 3 in Chapter I of the Mysore Jail Manual regarding the prisoners to be confined in the Mysore Jail will hold good hereafter, prisoners of the Mysore and Hassan District, now undergoing imprisonment in the Central Jail may be transferred to the Mysore Jail if the term of imprisonment that these prisoners have yet to undergo is six months or over, but if it is less than 6 months, they may be kept in the Central Jail and released on the due date.

Such of the warders of the Mysore Jail as were transfer to the Central Jail on the conversion of that Jail in a Sub Jail and as may now be willing to go back, may be retransferred to Mysore. In recruiting new warders for the Mysore Jail, preference may be given, as far as pos sible, to those that were retrenched in connection with the conversion of the Jail into a Sub Jail.

Weaving looms, Tools and plant of the Carpentry and Smithy Sections that were received in the Central Jail on the conversion of the Mysore Jail into a Sub Jail may now be returned, duly repaired if necessary. Weavi looms, tools and plant and other necessaries that may still be required for the Mysore Jail may, in consultat with the Director of Industries and Commerce, be purcha from approved Firms, and the cost met from out of the provision of Rs.800/- sanctioned for the purpose.

As regards the appointment of a Sub Asst Surgeon, a Chi warder, a Head warder and 2 clerks for the Mysore Jail, separate orders will issue. The posts of Maistries san tioned for the Jail will be advertised in the Mysore Gazette through the Central Recruitment Board and will filled up soon after the applications are received in t office.
